

Login / AVD Access

Login

Login to SparQ using provided USER PASSWORD provided (User names are you Team Member ID) which can be found on your Main Profile on MyHub

Once entered details click Sign in

Sign Out

Sign out of SparQ using the SIGN OUT button (bottom right).

This takes you back to the Login Page and locks access to the till.

AVD Access (from Computer)

Click on desktop link, this will be a shortcut added for you by either the project team or your HOD. This will take

you to the same screen you will use on the Till but using your Computer

Changing your Password

Once logged in, Press ADMIN (bottom left)

Then Change Password (Bottom Right)

You will need to enter your current password.

Then your new password

Finally confirm your new password, then you are done!
